

**PORTER TOWNSHIP**  
**Budget Meeting**

March 12, 2019

The meeting was called to order at 6:30 pm by Supervisor Marlow with the pledge to the flag.

Roll Call: Present were, Marlow, Croninger, Wylie and Russell, Harman

The budget was presented by Marlow. Marlow advised that he changed the raises to the clerical staff only. There were 3 mistakes that Marlow will make adjustments on the final budget. Discussion was on how much the township will be spending on roads and culverts as we have several that are failing and in desperate need of repair. Supervisor Marlow advised there are 3 options to roads, to do nothing, petition for a drain district, a special assessment with a set amount, a bond. We are good for this year will continue to look into options moving forward.

Motion made by Wylie with a second by Croninger to adjourn. All in favor. Meeting adjourned at 6:57 pm
